Ten22 Honors National Breast Cancer Awareness Month, Partners with Sutter

SACRAMENTO, Calif., October 4, 2011 – Dine for a good cause and **Eat. Drink. Give!** Ten22 has partnered with Sacramento’s Sutter Medical Center and its Breast Cancer Program in honor of National Breast Cancer Awareness Month.

Fifteen (15) percent of all revenue generated at Ten22 from October 16-20 will be donated to the medical center's vital research, treatment and support programs.

Part of the largest and most comprehensive network of oncology centers in California, Sutter’s team of oncologists, nurses, radiologists, social workers, dietitians, research coordinators and volunteers aim to provide specialized care for patients and their loved ones through awareness, education, empowerment and research.

“Sutter Health does an amazing job of helping people in the region,” said Lloyd Harvego, owner of Ten22, located in Old Sacramento. “We are pleased to be able to contribute to Sutter’s efforts to reduce breast cancer through the hospital’s Breast Cancer Program.”

“Breast cancer affects an alarming number of Californian women,” said Mary Pare, registered nurse and breast cancer navigator. “We at the Sutter Cancer Center actively seek to raise awareness, encourage women to be screened and, if diagnosed, provide comprehensive supportive care and ‘state of the art’ treatment. That’s why we’re proud to partner with Ten22 in October to get the word out and raise funds for breast cancer research and our support programs.”

Ten22 invites the community to enjoy a wonderful dining experience and support Sutter’s commitment to finding a cure!
